# WHO'S WHO?

## ***Powder River Rodeo***

Hank and Lori Franzen own and manage Powder River Rodeo. Based in Riverton, Wyoming it is one of the most well respected and award winning firms in Professional Rodeo.

In 1986 the Franzens started Powder River Rodeo along with a partner. A year later, Hank and Lori bought out their partner and became the sole owners.

In 1988 they had three animals selected to the National Finals Rodeo. Powder River Rodeo has had livestock at every National Finals Rodeo since. The Franzens have established themselves as one of the most recognized and awarded firms within the PRCA. Their commitment to excellence has been recognized by the industry as they were recipients of the prestigious PRCA Remuda Award in 2019.

# WHO'S WHO?

## *Dusty Myers*

Dusty has been recognized as one of the top rodeo clowns and barrelmen in the rodeo world by being nominated as one of the Top 5 PRCA Clown/Barrelmen of the Year, one of the Top 5 PRCA Comedy Acts of the Year, and was selected to work the National Finals Rodeo in Las Vegas, Nevada in 2025.

Inspired by some of rodeo's greatest entertainers, such as Lecile Harris and Quail Dobbs, everything from Dusty's grease paint to his baggies pay homage to the legacy of the traditional rodeo clown. A second-generation rodeo clown with more than 20 years of professional rodeo experience, Dusty wins over audiences of all ages with big acts, big props, and even bigger character! Defying the sometimes-heavy realities of life and modern influences, Dusty lets his inner-child run loose in the arena bringing energy and mischief to every rodeo performance.

"For two hours, I just want everyone to enjoy feeling like a kid again," Dusty said.

# WHO'S WHO?

## *Jody Carper* **Professional Rodeo Announcer**

Jody spent his first 30 years in Big Spring TX, and rodeo has been a part of his life since the beginning. He and his brother competed in all of the timed events in junior rodeo and high school rodeo. Being a contestant wasn't Jody's only connection to rodeo. He and his brother used to play "rodeo" at their house and Jody would always be the announcer. It seemed natural for him and others noticed too.

In 1991, just out of high school, Jody was asked to announce the local high school rodeo. That started him being hired to announce junior and amateur rodeos all around Texas and New Mexico.

He competed in pro rodeo as a tie-down roper after college for several years traveling from coast to coast. While on his spring run in California, he met his future wife Kelli. He eventually moved to California and wrapped up his tie down roping career with a California Circuit finals qualification in 2003. At that point, he shifted his focus back to his other passion and set out to obtain his PRCA Announcer card and pursue announcing as a full time profession. Jody and Kelli married in 2005 and have been blessed to be able to build their lives traveling to rodeos together ever since.

Jody has been selected 8 times by the PRCA to announce the National Finals Steer Roping and 2 times as the Ram National Circuit Finals Announcer. He has also announced many other great rodeos across the United States and Canada.

# WHO'S WHO?

## *Nicky Kimm*

Nicky Kimm, co-owner and operator of Chute Tunes "Wild & Western" Rodeo Music Productions has a long history of involvement with the western industry.

Nicky grew up in the small southern Illinois town of Walnut Hill. Where she helped with the family horse business on her parent's Thoroughbred horse farm. Growing up she attended many rodeos at which her father competed. She competed in 4-H horse judging, horse bowls, sports, and showed horses, qualifying for the World Junior Quarter Horse Show. After completing studies at Logan College of Chiropractic in St. Louis, MO, Nicky graduated as a Doctor in 1997. Soon after that she went on to also become certified in Animal Chiropractic.

Nicky moved to Minnesota when she married her husband, rodeo announcer, Davie Kimm in August of 2000. Shortly after being married, Nicky learned about computer-generated music and sound to begin assisting Davie at rodeos where he was announcing.

She has worked some major events in the PRCA which have taken her all across the country and even earned her honors like being selected as the Music Director for the 2019 Clem McSpadden National Finals Steer Roping.

When not on the rodeo road, Nicky enjoys exploring the great outdoors with her two Jack Russell Terriers Buster and LuLu.

# WHO'S WHO?

## *Tomas Garcilazo*

Tomas Garcilazo, a native of Mexico City and third-generation Charro, has dedicated his life to sharing the tradition of La Charrería — Mexico's National Sport — through world-class horsemanship and rope artistry. Alongside his family, he travels internationally showcasing Hispanic heritage and preserving the western legacy through refined performances that blend precision roping, skilled horsemanship, and the partnership between horse and rider.

Tomas has performed throughout Europe, Canada, Brazil, the U.S., and Mexico, including appearances on Broadway with Will Rogers Follies, Disney's Wild West Show in Paris, and the Buffalo Bill Wild West Show in Europe. Since making his pro rodeo debut at the Wrangler National Finals Rodeo in 1998, he has become a fan-favorite specialty act and a staple of the NFR for more than 26 years.

A 4-time PRCA Specialty Act of the Year and winner of TBS's Go Big Show Season 1, Tomas continues to share the legacy of La Charrería with audiences around the world from his home in Stephenville, Texas.
