UTE MOUNTAIN ROUNDUP

POSTER CONTEST WINNERS

1ST PLACE

MARISOL CANDELARIA

I wanted to include people who participated in the rodeo. There's a unique vibe to the rodeo cowboy. As someone who isn't involved in the rodeo or country life, I admire the lifestyle. It makes you wanna get up early in the morning and go outside and do the work country people do. I also included my friend Will Rice, she's the only cowgirl I know, and her style and her love for animals and that life is cool! I think it's cool to show all the different aspects of each picture, I find the hard work of those people cool and just simply interesting! The Rodeo is great to see, and it's amazing how long it's been going on for!

WHO'S WHO?

Powder River Rodeo

Hank and Lori Franzen own and manage Powder River Rodeo. Based in Riverton, Wyoming it is one of the most well respected and award winning firms in Professional Rodeo.

In 1986 the Franzens started Powder River Rodeo along with a partner. A year later, Hank and Lori bought out their partner and became the sole owners.

In 1988 they had three animals selected to the National Finals Rodeo. Powder River Rodeo has had livestock at every National Finals Rodeo since. The Franzens have established themselves as one of the most recognized and awarded firms within the PRCA. Their commitment to excellence has been recognized by the industry as they were recipients of the prestigious PRCA Remuda Award in 2019.

WHO'S WHO?

Matt Merritt

Rodeo Entertainer, Matt Merritt, has kept crowds across the country laughing for 20 years. Known for his dancing skills, Merritt loves to create an atmosphere that's fun for the audience of all ages.

But he is more than just a good laugh, he is a proud Christian, Husband and Dad. Merritt married his wife Bonnie in 2004; they have two daughters, Ruia and Etta.

His daughters are following close in their dad's footsteps as rodeo entertainers; Ruia has a liberty act that she takes to rodeos, and Etta is learning to roman ride and trick ride.

While Merritt is on the road, Bonnie is home taking care of everything. The family has a small working ranch near Olin, N.C., and she takes care of the livestock and the kids.

"She works a lot harder than I do, keeping it all up," said Merritt. "I couldn't do what I do without my wife."

In his spare time, Merritt loves to hunt and fish.

WHO'S WHO?

Jody Carper ***Professional Rodeo*** ***Announcer***

Jody spent his first 30 years in Big Spring TX, and rodeo has been a part of his life since the beginning. He and his brother competed in all of the timed events in junior rodeo and high school rodeo. Being a contestant wasn't Jody's only connection to rodeo. He and his brother used to play "rodeo" at their house and Jody would always be the announcer. It seemed natural for him and others noticed too.

In 1991, just out of high school, Jody was asked to announce the local high school rodeo. That started him being hired to announce junior and amateur rodeos all around Texas and New Mexico.

He competed in pro rodeo as a tie-down roper after college for several years traveling from coast to coast. While on his spring run in California, he met his future wife Kelli. He eventually moved to California and wrapped up his tie down roping career with a California Circuit finals qualification in 2003. At that point, he shifted his focus back to his other passion and set out to obtain his PRCA Announcer card and pursue announcing as a full time profession. Jody and Kelli married in 2005 and have been blessed to be able to build their lives traveling to rodeos together ever since.

Jody has been selected 8 times by the PRCA to announce the National Finals Steer Roping and 2 times as the Ram National Circuit Finals Announcer. He has also announced many other great rodeos across the United States and Canada.

WHO'S WHO?

Jessica Blair-Fowlkes

Jessica Blair-Fowlkes, a highly sought after performer in the equine and rodeo industry, returns to St. Paul Rodeo arena to perform her daring, high-speed acts which include trick riding, a flaming Roman ride, and Liberty/bridle-less exhibitions with her grey American Quarter Horses, Moose and Wishbone.

Raised on a beef-cattle farm in Tennessee, Jessica began her entertainment career in college when she performed at Dolly Parton's Dixie Stampede as a rider/dancer. Jessica has traveled around the US performing at rodeos and other equine events, always striving to be fast and flashy!

One of the greatest rewards she receives is noting the smiles on happy faces of young and old alike after seeing her thrilling displays of horsemanship.

WHO'S WHO?

Nicky Kimm

Nicky Kimm, co-owner and operator of Chute Tunes "Wild & Western" Rodeo Music Productions has a long history of involvement with the western industry.

Nicky grew up in the small southern Illinois town of Walnut Hill. Where she helped with the family horse business on her parent's Thoroughbred horse farm. Growing up she attended many rodeos at which her father competed. She competed in 4-H horse judging, horse bowls, sports, and showed horses, qualifying for the World Junior Quarter Horse Show. After completing studies at Logan College of Chiropractic in St. Louis, MO, Nicky graduated as a Doctor in 1997. Soon after that she went on to also become certified in Animal Chiropractic.

Nicky moved to Minnesota when she married her husband, rodeo announcer, Davie Kimm in August of 2000. Shortly after being married, Nicky learned about computer-generated music and sound to begin assisting Davie at rodeos where he was announcing.

She has worked some major events in the PRCA which have taken her all across the country and even earned her honors like being selected as the Music Director for the 2019 Clem McSpadden National Finals Steer Roping.

When not on the rodeo road, Nicky enjoys exploring the great outdoors with her two Jack Russell Terriers Buster and LuLu.
